

15 February 1951

The President has passed on to me your letter of 9 February concerning the factory [redacted] which is producing parts for rockets. As you can readily recognize, we are most interested in any information of this nature.

I have asked the chief of our office in your area, [redacted] to get in touch with you. You may be assured of the fact that any information which you pass on to [redacted] [redacted] will be immediately transmitted to Washington and handed to the appropriate department. Your cooperation is greatly appreciated.

Sincerely yours,
